Studio Safety

At ECPAC your dancer's safety is our top priority, this is just a reminder to be alert and afe in the parking lot.

Please drive slowly and be aware of children crossing

Park in designated spots only (not along the hedge)

Please have your children wear proper cover ups before and after classes

If your dancer waits for a ride have her or him wait inside the building, park your car and come in to get them.

If you have a teen who drives him or herself please make sure they are leaving the studio with someone and they do not sit in their car in the parking lot

If you see anything suspicious, please let the front desk or one of the teachers know.
