Recital practices

Please note the following time for these classes – the classes listed below are in our older dancer shows and have more than 1 class performing together so this gives them time to practice as a group. These extra times are ONLY for those who are in the recital. Dancers still need to attend their regular class time during these weeks. If these extra practice times are during a regular class time for a dancer not in the recital – please check in with the office to arrange a make-up class in a class of your choice.
