We are so excited to bring you an amazing line up and we know you, your staff and your students are all going to have an incredible experience!

Make the most of your time at the One Family Festival by registering for the Story Showcase and Cinema Room! You won't find these unique experiences at any other dance festival!

Story Showcase: A showcase with a twist. One Family's Story Showcase is focused on WHY we dance. What story do you want to tell through your movement? Let the audience know on stage or record a short video about your dance that will be played before you take the stage. Receive invaluable feedback from our faculty, whether your piece is for competition or just for fun this feedback will encourage and inspire you!

Cinema Room: Have you ever wanted to dance on a film set? One Family's Cinema Room will transport you to a Hollywood movie set. Bring your solo, duet/trio or group dance and have it professionally filmed by The Untapped Film Crew! This keepsake is great for memories, marketing for your studio and auditions for your dancers. This is truly a once in a lifetime experience!
